'86 CONVENTION & HORSE SHOW - Ely NV --

Again, the planning of Ch. Virginia McIntyre & her crew made our ABC Convention a great success. Meeting many new faces -- the surprise of hearing a cowbell upon winning a door prize -- many special exhibits especially that of Corine Mead whose Curly horse hair exhibit complete with caps fascinated everyone -- the beautiful pix in "Stallion Row" and the Photo Contest -- smiles from winners at "People Bingo" -- Curly Horse T-Shirts and Caps everywhere -- the Ostroms' Curly rugs & mugs -- Ely's "Steptoe Steppers" strutting their stuff during the cocktail hour -- Mayor Barlow White's warm welcome -- the delicious all-you-can-eat buffet supper -- top entertainment by the popular cowboy poets, Waddie Mitchell of Jiggs NV & Bill Simpson, Grandview ID. -- more entries vieing for trophies & ribbons at the Horse Show -- sponsors proudly presenting trophies to the winners -- the hotly contested Cow Pattie Pitch -- the m-m-m-m good thick and juicy hamburgers Bar-B-Q'd by hosts Bob & Ellie Dickenson at their ranch and which Bob insisted came from his very own steers! -- plus all the salads, cookies, etc. made by Nevada members -- the super outdoor cowboy pancake breakfast by the Ely Riding Club crew -- just a few of the things you missed if you didn't attend!

And -- if you didn't win this time, do try again. We find new winners each year. Start snapping!

1986 ABC PHOTO CONTEST --

The popularity of our ABC Photo Contest has grown annually, so those attending the Convention voted to have another in 1986. All ABC members are eligible to enter pix of their Curlies. It not only gives members unable to attend our Convention a chance to be a part of it as all pictures are on display, but it also gives them a chance to win a trophy. Naturally, the photos must be taken by current paid members of registered ABC horses when they are in full curl. All photos must be 8 x 10 color shots, and must be received at the ABC office no later than JUNE 1, 1986. You may enter as many photos as you wish in each category, but the same photo may not be entered in more than one category. Photos will not be returned. 1986 categories are:

Sorry to hear ABC members Rollie Newman, Sparta NJ; Mary Siegrist, Willow Springs MO; and Glen Simms, Muldrow OK have all been ill. Cards were sent from ABC and hopefully all are on the upgrade by now. We mean it!

Yes, we did it again! Am sure all Curly owners will be proud to know that our Parade group has been chosen for the 3rd year in a row to ride in the New Year's Day Pasadena Tournament of Roses Parade. Our unit is limited to 14 horses and the following members will give another boost to the popularity of our Curlies as they are seen by millions on TV! They are:

ABC and the rest of our members owe a great big T H A N K Y O U to these riders, and most especially to Parade Ch. Debbie Drummond, for all the time, trouble and expense involved with riding in this grand-daddy of all parades. So, round up all your kinfolk and friends on New Year's Day to watch them on TV! Exciting!

PASADENA ROSE PARADE -- 1987 !! --

ABC would like to keep up this tradition of having Curlies in the Rose Parade and in order to do so we need riders and horses for our parade unit of 14 horses and riders. So, if any of you would like to ride in 1987, whether ~~xxxxx~~ you have ridden in the parade before or not, we must hear from you by December 1, 1986. Just drop a note or call the ABC office by that date. Your name will be listed on a first come, first serve basis. The Parade committee will be meeting at Pomona while there for this year's parade, and rules worked out for 1987. You will be notified shortly after so that you can plan to get your costume and 8 x 10 color picture with your horse in curl as required. Don't forget!

'86 ABC HORSE SHOW --

Three new classes have been added to our Horse Show for '6 -- Side-Saddle, Reining & Harness. Show Ch. Mary Sue Rhea hopes for a good number of entries in them. Contact ABC for rules after Jan. 1st. The Harness Class will be judged individually between the other classes, and Joe Mead offered to furnish harness & buggy that everyone can use so they won't have to bring their own unless they wish to.

MEL BLUE, Litchfield CA and COPA TUTTLE, New London CT, riding LI'L DIAMOND CHIP ABC-106 and PATS DIAMOND CHIP ABC-33, showing the super curl our horses had on Parade Day! Beautiful!

STALLION BREEDING REPORTS --

All ABC members who had one or more stallions standing in '85 must forward stallion breeding reports to the ABC office by Jan. 31, 1986. If not received, the stallion will not be listed in Curly Cues. So, don't forget! Our Registrar must have them! Thanks!

The Breeders' meeting at the '85 ABC Convention OK'd the followings:

Starting Jan 1, 1986, ABC Breeders will have to pay a \$25 yearly license fee (over and above ABC yearly dues) in order to be listed as an ABC breeder in Curly Cues or elsewhere. For this fee, breeders will receive the following: Free listing in Curly Cues, April and October, free listing of their stallions standing in April Curly Cues, plus free listing of any Curlies or half-Curlies they have for sale. This license fee is due and payable to ABC as of Jan. 1st each year, plus current membership dues if not a life member of ABC. If this license fee is not paid by March 1, one will not be listed as a breeder in Curly Cues. A numbered certificate which must be renewed yearly will be sent to each bona fide ABC breeder.

Also, to retain status as a licensed ABC breeder, one must adhere to the regulations set up by the breeders themselves. One of these rules is that stallion breeding reports must be submitted to ABC at the end of each year.

ABC members not listed as a current licensed breeder, but who may have Curlies for sale will now pay \$5 per ad for each horse they wish to list for sale in Curly Cues.

The extra revenue should help with ABC's finances and help to keep the Registry going -- and growing. And your Treasurer most sincerely says -- "THANKS, PELLAS" !!!

BEAUTY'S DOLLY CHARM ABC-310, owned by Betsy Parillo, Killingworth CT. This beautiful filly was raised by Sharon Gann of Cabool MO and is typical of many Curly foals now for sale.

NEWS -- FROM GERMANY -- MORE "EARLY CURLIES" --

Love to get info on the early history of our Curlies and Evelyn Simak of Munchen, Germany, kindly sent this bit of info about the "poodle horses" at the Schonbrunn Zoo of Vienna. Six of these horses (2 bays, 2 browns, 2 duns) were a present from Stockholm, Sweden in 1804. In 1805 when Napoleon and his soldiers entered the city, He liked the horses so much that he took one pair back to Paris with him. There, it is told, the climate was much milder and they lost their curly hair. (Probably shed it in the Spring, Ed.). The poodle horses were considered to be one of the ancestors of domestic horse breeds. They were said to be indigenous to Sweden, Norway and northern Russia and the curls to be a protection against cold weather. It seems they still have a stuffed "poodle" horse at the Vienna Zoo.

Truly appreciate receiving this bit of Curly history to pass on to you. Surely if Napoleon liked Curlies they had to be something special, and I'm sure our present Curly owners happily agree. Evelyn is trying to save endangered, rare species of livestock in a breeding program, and is worried about many of the European "Warm-blood" breeds of horses as some are down to as low as 10 pure individuals. The State controls breeding and so much Thoroughbred and Arabian blood has been bred into them that they are losing their breed identity. This is very sad. Thanks again, Evelyn, for your concern and also for sharing this bit of history with us. Luv it!
