ABC'S NEW "SCHLUETER COMPUTER" --

Notice the 'NEW LOOK' of CURLY CUES? It is all due to member Jim Schlueter of Bend OR, who very graciously gave ABC an Apple III Computer, complete with printer, which was received just before Christmas. Needless to say, as soon as the Holidays were over, Registrar Debbie Mitchell and office helper Nancy Meadows immediately got busy and started setting up all of our horses, etc., on it; and, when it was time to type up the newsletter, they just couldn't resist putting it on our new "Schlueter Computer" as they fondly call it. This is going to be a great help to us all as we gradually get all of our records set up, and will surely ease the work load here at the office, as the work has increased tremendously this past year.

Jim, who has now become a Curly breeder, was former Pres. Norman Dills' boss at Consolidated Freightways before Norm retired, so we must also give Norm credit for his part in arranging it all. And all Jim asked of ABC was a "LIFE" membership!
UNBELIEVABLE!!

So, let's all give JIM SCHLUETER a great big
"THANK YOU" !!!

ABC'S GROWTH! --

In looking back thru the growth charts of ABC a few interesting statistics showed up. Organized in 1971 with 15 charter members, just 6 horses were reg'd that year and not even one was sold. From 1971 thru 1979, a total of 142 Curlies were reg'd and a mere 27 sold, averaging 3 sold per year up to that time. As a comparison, for the year 1989 alone, the charts show 255 horses reg'd and 227 sold! Totals 1971 thru 1979 show: 1255 horses reg'd (1080 Curly, 175 Straight) 821 sold, with 427 members. Now you know why we are so busy here at the office! **WHEW!**

SPECIAL MENTION —

Five **LIFE** members have been added to our growing list —

RICH & CAROL BLOOM, Arcadia CA. Rich was our Liaison at the 1989 Rose Parade, and Carol is a former Rose Parade Princess. And — they don't even own Curlies, just wanted to help!

NELL McNULTY, avid Curly horse breeder of Ocean Springs MS.

BAZY TANKERSLEY, premier Arabian breeder of Tucson AZ, has started a Curly breeding program and now owns 5 Curly mares and a stallion.

KATHRYN TROTTNOW, Shelton WA, who has just purchased her first Curlies and became a Life member before her horses even arrived!

Also, must mention **VERN & LULA BARNHART**, who are now 10-year members and have received their pins. **CONGRATULATIONS!**

And, **MARY SUE RHEA**, Ely NV, who will head the list of 1991 members!

THANK YOU — ONE AND ALL!!!

MATCHED CURLY TEAM —

This nicely turned out team of matching Curlies—**UPCONTENICH ABC-1102 & HONOR OF E'KOOCH ABC-1103** — are owned by Dennis & Ardee Peregrina, Ukiah CA. Curlies are excellent in harness and this nice spring wagon seems to be just right for these two. We are certain the Peregrinas are proud of their unusual team, bred at Damele's.

PASADENA ROSE PARADE — WE'LL TRY AGAIN IN '91 --

It's getting to be a habit, this yearly trip to Pasadena for the New Year's Day Parade, and ABC will submit its' entry for '91. So, all of you who would like to ride, if you haven't already received an application, phone or write to the ABC office and one will be sent to you. We are very proud of our record of 7 straight years being chosen to participate. This year our Rose Parade Chairman is:

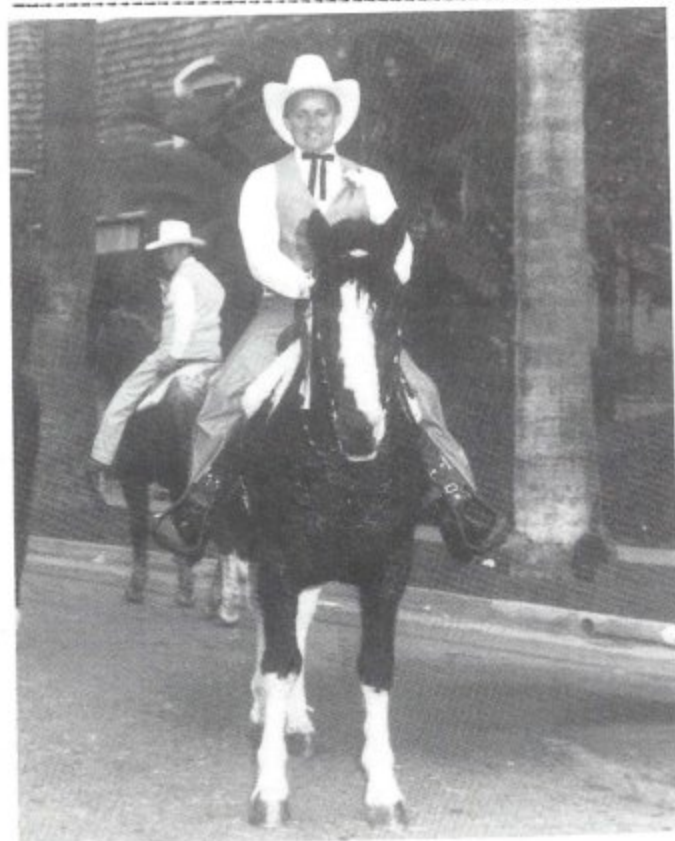

ROSIE BORGES

PO Box 7496

So. Lake Tahoe CA 95731

Ph: 916-541-1953

Rosie will be happy to fill you in on details, but, **HURRY**, as applications must be received at the ABC office by **MAY 15**, and you must have an 8" x 10" color picture of yourself taken on your horse while it is in full curl. The outfit to wear is: Navy blue Western pants and vest to match, white Western shirt, white felt hat, red gambler-type tie, with Western saddle and white blanket. (See below) So, saddle up and join our Parade group -- it's **EXCITING!!!**

Typical Rose Parade Rider --DAYLE JOHNSON of Ely NV on PETER PAINT ABC-226, black & white Curly Pinto Stallion (now owned by the McNultys of Ocean Springs MO) Dayle is a teacher, ABC life member/breeder and ABC Director, and has ridden in a number of Rose Parades.

ELECTION OF OFFICERS --

Nominations for ABC Officers and Board Members are still being accepted. A full slate is up for election -- President, Vice-President, Secretary, Treasurer, Registrar, plus two Senior Board Members (3-yr terms). Naturally, those elected as Secretary, Treasurer and Registrar must be available to work in the ABC office at Ely. Sorry, there are no salaries for these offices. Nominations must be sent to ABC by May 1, so ballots can be sent out to all current paid members, to be counted at the June Convention.

So, if you would like to run for office, or know of someone you would like to nominate, there is still time to send in their names. A short resume' is required with the name. ABC is interested in knowing about a person's involvement with horses, especially Curlies, and how they intend to use this knowledge to help promote the Registry and Curlies. **LET US HEAR !!!**

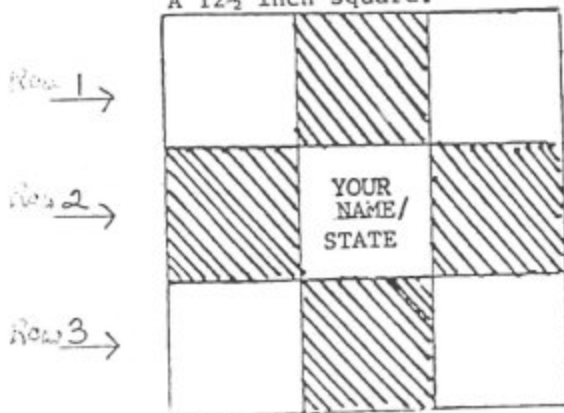

ABC "FRIENDSHIP QUILT" --

CAROLYN JOY, Life Member/Breeder, of Norman OK, has come up with the wonderful idea of a **FRIENDSHIP QUILT** for ABC members, to be auctioned off by ABC when it is completed.

Carolyn has offered to put the quilt together, and will even put blocks together for members for \$5. (See illustration) You can have your name, state, etc. on your very own block, or have your horse silk-screened on it. **GREAT !!**

FINISHED 9 PATCH BLOCK WILL BE

A 12½ inch square.

Let's all be part of this -- send for full instructions, either to ABC or to:

CAROLYN JOY
3300 Isim Rd., Rte. 4
Norman OK 73071
Ph: 405-321-2635

THANK MUCH, CAROLYN -- THIS SOUNDS LIKE FUN !!!

KIDS & KURLIES —

Kids & Curlies go together like ham & eggs and here is a group of pix sent in to ABC showing kids & their Curlies. And, for the tinier tots we now have two breeders raising Curly Ponies just for them — Mac & Bernice McKay, Hartshorn MO & Bob & Joyce McLaughlin, Janesville CA.

THOUGHT YOU'D LIKE TO KNOW --**ARIZONA --**

ABC is especially proud to welcome Mrs. Bazy (Garvin E) Tankersley to our growing list of Curly breeders. Bazy is owner of Al-Marah Arabian Farm at Tucson AZ, and a premier breeder of top-of-the-line Arabians. With such an extensive Arabian breeding program, we are very honored that she has become interested in our unusual Curlies and she now owns five broodmares and a stallion. Your editor was pleased to be able to have a short visit with Bazy at her beautiful Al-Marah Farm last Fall while attending the Western Music Festival at Tucson and looks forward to meeting her again.

We wish her the very best in her new venture, and
THANKS MUCH, BAZY!!!

INDIANA --

Sandra Hendrickson of Indianapolis was proud to announce that her Stallion **SPARTACUS** ABC-237, was named Reserve Champion for the State of Indiana, First Level Dressage. Quite an accomplishment for a Curly, and **CONGRATULATIONS** to Sandy and "Sparky" and, of course, his rider, Amy Inman.

Sandra also went to Russia with husband, Tom, for an ice-boating regatta, in February. While there, she was able to visit a horse breeding farm at Lobe, where they are breeding Hanoverians and Trakhaners, but couldn't get to Bashkiria. Maybe next time! Sandy also had the misfortune to slip and fall on the ice while watching Tom ice-boating in Sweden, and fractured her wrist. You be careful next time, Sandy!

NEW ZEALAND --

Notice we have a brand new member by the name of Marc Wild in New Zealand! Isn't that great? And Marc is very interested in the milk yield and hair yield of our Curlies, with an eye to possibly importing some there! So, though we do know quite a bit about Curlies' milk yield, have any of you actually checked the hair yield on your Curlies? I realize we haven't seriously done too much with their hair even tho' a number of members have used it for many items. If you have any idea how much hair you get from your Curlies, do let ABC know, as Marc is very anxious to know.

VIDEOS--

If any of you have good videos of your Curlies, short or long, the International Breeders' Network, West Star 4, Ch. 19, is anxious to have some for their show, which they broadcast 3 nights a week. Let ABC know if you would like to have your videos shown on TV! Sounds **INTERESTING!**

ALL-CURLY CLASSES --

REMEMBER, if you are holding All-Curly Classes or an All-Curly Show, you must send to ABC for Approval forms and result sheets, so points for horses entered will be counted toward our National Awards. And, if showing, send for an ABC Show Record form to keep track of your classes. **THANK YOU!**

ABC AUCTION --

ABC will be holding another auction at convention time to help with their building fund. Please bring or send to ABC any items you would like to offer to help us out. **WE THANK YOU FOR YOUR HELP!!**

CLOSING OF THE ABC REGISTRY BOOKS --

The ABC Board of Directors acted to close the Registry books as of December 31, 1990, after which date horses being registered must have both parents registered with ABC, either Curly or Half-Bashkir.

After receiving input on this matter from members, most especially breeders, the Board amended the order to allow the registering of foals born in 1991 that do not have two registered Curly parents, thereby easing the problem for owners of mares, and allowing them to breed outside the Curly breed, except for breeding to Quarter Horses and Thoroughbreds, which is still not approved.

Ballots will be sent out in May to allow members to voice their opinions on this subject, and then turned over to the Board of Directors for their final approval.

REGISTRATION RULES TO REMEMBER --

The owner of a mare at foaling is the owner of the foal and is responsible for the proper registration of that foal.

When selling a registered Curly, the Certificate and Transfer of Ownership/Bill of Sale, together with the transfer fee of \$10, must be sent to the ABC office for legal transfer by the Registrar. The Certificate

will then be forwarded to the new owner. Please DO NOT give a registered horse's Certificate directly to a buyer.

To alleviate errors on a horse's pedigree, the Registrar asks that xerox copies of titles to BLM horses & Certificates from other Registries be sent with application. If preferred, ABC can copy originals and return them to owner.

JUNIORS:

JUST A COUPLE OF 'GOOD OL' BOYS!!!

You may not recognize them in their everyday working duds, but these two ol waddies are very important to curly horse folks everywhere. In fact, they are ABC President Bob Eddy, left, and 'King of the Curlies' Benny Damele, right. The picture was taken at the barn on the Damele Dry Creek Ranch by National Geographic photographer Phil Schermeister in 1987. Happy to report that Benny is 'back in the saddle again' and doing very well -- and we are all very thankful for that! GREAT PICTURE, YOU TWO !!
