If you didn't happen to be there, here are some of the things you missed -- the many displays in the Bristlecone Convention Center -- ABC Scrap Books, Rose Parade, Stallion Row and Photo Contest pix, all drawing plenty of interest -- trophies galore - a "White Elephant" and ABC Table with all kinds of goodies for sale with Nancy Meadows & Donna Jones in charge of sales -- display of auction items -- Tom Sanders, Chairman of the All-Curly Horse Show and crew (Judge, Linda Brown, Eureka NV; Secretary, Mary Sue Rhea; Ring Steward, Dayle Johnson; Announcer, Sunny Martin; Photographer, June Stone; Props, Harry Rhea; Concessionaire, Lucille Broderson; Ribbon Girls, Girl Scout Troop 286; Runners, Lucas & Eric Rhea) started things off at 8 AM Friday with English Classes -- and, although there were several meetings on Thursday, most folks signed in on Friday after the Horse Show with Vivian Stephens manning the sign-in table and also surprising folks with instant door prizes that went to Sandra Child, Springville UT; Marilee Wellersdick, Baker City OR; Belinda Harrelson, Spokane WA; Ann Johnson, Clovis CA; and Luella Goodwill, Ely NV -- everything becoming a little hectic as folks scurried to get names signed on their People Bingo cards to be eligible for the dozens of prizes given out to winners with Peggy Jo Yourdon in charge -- Rose Parade, Training and the hilarious Baxter Black (cowboy poet) videos were shown by Eric Lawrence to interested folks -- the Friday evening Open House featured a no-host cocktail hour, mounds of hors d'oeuvres for all - entertainment by the Steptoe Steppers Square Dancers who also drew folks from the audience into their act and taught them to square dance making fun for everyone -- the exciting auction with Merlin Millsap, Auctioneer - Bonnie Wilson bidding top dollar for the beautiful ABC Friendship Quilt made by Carolyn Joy of Norman OK while ABC President, Bob Eddy, added to the bidding by including a couple of 12-packs of beer to a four-

piece cooler set donated by Donna Jones of Ely, which he finally won after some spirited bidding. Saturday morning started at the Fairgrounds at 8:00 AM with the Horse Show Western Classes -- the just-for-fun Cow Pattie Pitch that brought out some highly unusual pitching forms -- Tom Sanders winning the Hi-Point Horse of the Show with his mare, Georgi Zarina #629 and presented the Estery L. Damele Memorial Award and the Australian Stock Saddle Co. Trophy - Cara Gubler, participating on her gelding, Country Music King #832 took Reserve Champion honors -- in the afternoon at the Convention Center the ABC Slide Show was presented -- while evening started with a No-Host Cocktail Hour -- a warm welcome from County Commissioner Barlow White (an ABC member) -- a delicious buffet dinner prepared by Kountry Kitchen -- Awards presentations by MC Sunny Martin -- proudly accepting her trophy for 1991 Breed Promotion, Jay Hensley, Wilmore KY; Joe Mead and young son, Hillis Mead, accepting 1991 Performance Horse and Trail Horse trophies won by Q-Card ABC-35, owned by Corine Mead, who was unable to attend -- and some very special awards -- Joe Mead, Sequim WA, most horses registered for 1991 - Bonnie Wilson, Arlington WA, drove furthest - Marilee Wellersdick, Baker City OR, brot horses furthest - Kyle Mead, Fairbanks AK, came furthest - Jim Brathovde, oldest cowboy - Jared Johnson, Clovis CA, youngest cowboy - Ellen Bancroft, Woodinville WA, tallest cowgirl - Cassidy Harrelson, Greenacres WA, youngest cowgirl -- centerpieces with cute rope horses fashioned by Peggy Jo Yourdon - and - finally - the anxiously awaited raffle drawing -- First Prize: Melvina Berthelet, Mt. CONGRATULATIONS !!!

And MANY, MANY THANKS to those who graciously donated these great prizes -- and to those who sold or bought raffle tickets for ABC's annual fund raiser. The note on our building is now down to \$14,400 from its' original \$24,000! Doesn't that sound terrific? Naturally, ABC will have to have another raffle in 1993, so if you have a prize in mind that you would like to donate toward it, do let us know! And again, MANY THANKS, YOU-ALL!!!

ABC STUD BOOK NO. VIII --

To those of you who have been wondering where Stud Book No. VIII is, especially those of you have already paid for it, we are pleased to say that it will be printed shortly. It was expected to be ready by Convention time, but since it was not, the consensus was to keep it open until we reached No. 1600, which we have now done, happy to say, so it should go to the printer's shortly. A list has been kept of all who have already paid for this book, and their copy will be sent to them as soon as it comes from the printer. We APOLOGIZE for the delay, and we THANK YOU for being patient, as we know you are anxious to receive it! Look for it SHORTLY!

ABC 4th ANNUAL "FRIENDSHIP" QUILT --

Once again, ABC is offering Curly owners and breeders a chance to be a part of our 1993 Annual Friendship Quilt, an idea started by Carolyn Joy of Norman OK, and who has graciously put together a beautiful quilt for the past 3 years. For a mere \$5 you can have your very own quilt block consisting of 5 squares in which you can have your name or names, horses' names, farm or ranch name, even your brand -- just the way you want it -- but PLEASE don't ask for fancy artwork. Send your \$5 and enough info to fill 5 spaces to ABC. Deadline is APRIL 1, in order to give Carolyn time to put the quilt together before Convention, so it can be used either as a prize for our raffle or be auctioned off. So, order your quilt block soon! It's first-come, first-served! Let's keep this lovely tradition going! And, THANKS!!!

The Nevada Bashkir Curly Club, with home base at Ely, has been re-activated and is open to all Nevada Curly enthusiasts. Goals have been set to promote Curly horses in parades, rodeos, horse shows and every day use. The Club will also be assisting ABC with the All-Curly Horse Show scheduled during Convention time in June. New Officers are: Peggy Jo Yourdon, President; Dayle Johnson, Vice-President; Kris Kendall, Secretary-Treasurer; and Shirley Sunday, Publicity. More info can be obtained by contacting Peggy Jo at Box 1113, McGill NV 89318 or by phone at 702-235-7244.

Thanks to these wonderful folks, our Registry is growing! We truly appreciate the interest in our wonderful Curlies!

We especially want to thank our new members from overseas -- our first member from Belgium and six new members from Sweden! This is most amazing, when one realizes that they have not even seen a Curly! Also, note we have two new members from Canada, where Curlies are becoming very popular.

Happy to welcome two new LIFE members -- CONSTANCE MANNING, Grass Valley CA, and SHERRON MOORE, Castle Rock WA. THANKS, MUCH, GALS! You bring our total LIFE membership to 125! GREAT!

Too, several ladies just couldn't wait for the first of the year to pay their dues and are now 1993 members -- Skeet Donaldson, Gooding ID; Katie Heckman, Emmett ID; Joni Jarvis, Finland MN; and Gayle Sharp, Union WV. We LUV YA!

THOUGHT YOU'D LIKE TO KNOW --

ARIZONA - Shocked to hear of the untimely death of Dr. Wayne Oler, Prescott. "Doc" was a Life member of ABC, a long-time breeder, and a really great guy. Our sympathies go to his wife, Kathy --

Robert Clark, Ash Springs, partner of Dr. Oler in their High Country Curly breeding program, will continue with the horses --

CALIFORNIA -- Judith Davis, Pearblossom, sent ABC the lovely Curly Note Cards she designed and which were on sale at the Convention -- THANKS MUCH, JUDY!!

CANADA -- Sans of Time #632 is at it again! Tho' retired from active competition, this great Curly gelding is now being shown side-saddle in a history program at Uniacke House, Nova Scotia, ridden by owner Lily Sampson.

CANADIAN CURLY GET-TOGETHER --

Your editor and member-photographer June Stone were invited to attend the 3rd annual Canadian get-together for Curly owners. And what a wonderful time we had! 28 Curly folks were there for a meeting and potluck supper held at Grant & Sandy Hengstler's, Bowden. Enjoying the afternoon "talk-fest" were the Hengstlers' children, Paul & Sue; Bill, Ruth & Tynan Groves, Bragg Creek; Ron & Deb Groves, Staffer; Gary & Sylvia Bradshaw, Bluede; Verlin & Janet Rau, Jessie & Jody, Belseker; Kevin, Sandy & Steven Meisner, Rimby; Raymond, Ethel & Ramona Lisell, Innisfail; Tim & Madeline Taylor, Calgary; Ole & Doris Skjonsberg, Bentley; Trent Van Dorn, Didsbury. What a lively afternoon! While kids were enjoying the pool, grown-ups were watching videos and the ABC slide show - and, of course everyone had albums full of Curly pictures! Naturally! We even played a little "People Bingo". Mounds of great food was consumed, too! Hated to leave! Happy to see everyone's Curlies, all enjoying lots of green fields. Canada was so green everywhere I thought my eyes had turned color!

Always try to visit as many Curly folks as possible when traveling. Stopped to visit at the Miller Ranch, Ronan MT, to see those four beautiful dapple grey Curly Percheron mares and their husky new babies. Very interesting place. They make covered wagons and other horse-drawn vehicles, and have a museum at the ranch that Jann graciously took time to show us. At Victor MT visited Paul Morgan, Nancy & Baby "Justin Morgan" (!), stayed for lunch and saw their Curlies. Stopped overnight with Kim & Darselle Bullock, saw their Curlies and enjoyed some more good food. We spent several nights with Bill & Ruth Groves, got to spend a day at the Calgary Stampede (what a show), then to Banff & Lake Louise and on to stay o'nite with Ron & Deb Groves. They are having a Curly sale in early October to cut down their herds in the area. We wish them well! Also, stopped for lunch with the Skjonsbergs and saw their horses. Their family has had Curlies since the early 1900's. It was a great 10-day trip, with spectacular scenery and great hospitality! THANKS MUCH, EVERYONE! It was FUN meeting you all!

ANOTHER FIRST FOR CURLIES !! TWO GO TO SWEDEN !!

So proud to report that two (and  $\frac{1}{2}$ ?) Curlies were exported to Sweden and are now making friends with the folks around Brunflo where their new owner, Musse' Gruen, lives. Her uncle, Steve Gruen of Florida, made the arrangements.

CONGRATULATIONS to Musse' on the purchase of Shehendoah Cherokee #726, Bay Stallion, 6, from Linda White, Raphine VA, and Apache's Ebony Girl #689, Black M, 5, (in foal) from Sandra King, Hampden MA. Both horses are bred Curly top & bottom, so should make the basis of a great breeding program for Musse'.

The horses were air-borne to Sweden, so if anyone else sells a Curly to Sweden, it would pay to get in touch with either Linda or Sandra to learn just what shipping horses overseas is all about.

In the meantime, THANKS SO MUCH, Musse', for believing in Curlies. This has been quite a venture for you, but we are certain you are going to enjoy them. And, THANKS, too, Lena Furberg, for introducing Curlies to Sweden! IT'S GREAT!!

A BIT OF HISTORY --

The more one delves into the history of Curlies, the more fascinating the breed becomes --

For instance -- Sandra Hendrickson of Indianapolis sent this info found by Ellen Wells of the Smithsonian Institute in the book "Origins and Methods of Horsebreeding" that notes the following:

(AD 161-180) The Roman studs were often located in places which were to remain famous for horsebreeding in medieval and modern times -- in Asia Minor, ... in Spain, in Sicily, and on the karst lands of Apulia and Calabria in South Italy and Istria in northwest Yugoslavia, where the famous Lipizzaners were to be bred from the late 16th century onwards. North Africa was particularly noted for racehorses, which the Romans called Numidian, and we would describe as Barbis! (i.e. from the Berber or Barbary Coast of North Africa). They ran in chariot races, and are illustrated in several mosaics, those of North Africa being noted for the number of horses which are named. We find, for instance, 'Amandus' (Lovely), 'Frumitas' (Delicious), 'Adorandus' (Adorable) and 'Crinitus' (Curly).

So you see, our Curlies are a most ancient breed and we should be very proud to own one!

And -- THANK YOU -- Sandra and Ellen!
