The prices will be increased starting January 1996. The new increases may be found on the reverse side of your membership application.

There will be late fee of \$50.00 if the stallion reports are not

following year. This is to encourage the timeliness of the Stallion Reports. The due date has been changed from January to March 31.

There is now a late fee of \$100.00 if the Appendix (green) Certificates are not updated by the expiration date. This date has been changed from January 1 to March 31. This will help get pictures of your horse in curl and the Holiday Season will be over.

The offspring will need to qualify on their own, with either two registered foals if a mare and five registered get if a stallion, to advance to permanent. Keep working on a logo for the registry.

PICTURES

When submitting pictures for registrations or updates please help the office out by putting the name of the horse on the back. This will save time and ensure correctness of your certificates.

When taking the pictures we need them to be as close a possible but also able to have a full view of the horse.

ROSE PARADE

Even though it seems like yesterday, that our Curly Horse Riding Group rode through the streets of Pasadena in the 1995 Tournament of Roses Parade, preparation for the 1996 Parade have been going on since January of 1995. For this years parade we submitted 16 applications, but were cut back to 11 riders. Applicants were chosen on a first complete application received basis. If you or someone you know would like to participate in 1997 please contact:

Jim or Ann Washington
1617 Aliso Ave.
Costa Mesa, CA 92627-3238
(714) 642-2627

We will send out the 1997 applications to anyone who requests one, when they are received from the Tournament of Rose Committee. As we do not know how many riders will be allowed, we will again use the first complete application received method. If our group is accepted (we are notified by August 1996), the Curly Horse Riders will have the first riding meeting on December 28, 1996 and between riding sessions, Rose Parade festivities and sight seeing, you will be kept busy through January 1, 1997.

In addition to completing an application detailing your riding & parade experience you will need to include and 8 X 10 color photo of yourself, in parade dress, on your horse. All applicants and

their horses must have parade experience (before applying). This is not an event for novice riders or horses. We have a new outfit this year, a stars and stripes shirt with a red gamblers tie, black jeans, black riding gloves and white felt hat. A western saddle and bridle with a white saddle pad is used. This change was voted on at the 1995 riders meeting. There is a \$50 insurance fee and lodging runs anywhere from \$35 - \$70 a night and boarding your horse at the LA County Fairgrounds will run you approximately \$10.00 a day. NEWS ITEMS

We are always looking for items of interest on our great horse. We would gladly include articles, news items, or stories related to Curlies. Please let us know when you publish an article or news item so that we can watch for it. Better yet; send us a clipping! If you are in a parade tell us about it. The more exposure the better it will be for our horses! We will be starting a Library for news articles and need your help. This way when someone wants more to read on the Curlies we can help.

DIVISIONS

FULL CURLY- consists of any good Curly-Coated Horse with both parents registered with ABC including ABC straight mares with #374 and under.

HALF BASHKIR (HB)- consists of any Curly-Coated Horse with known or unknown parentage, with one or neither parents registered with ABC. Their off-spring, if curly, will also be accepted in this division and so on down the line until pedigree shows two generations of ABC registered Curlies in which case that off-spring will be eligible for the ABC (full Curly) division of the Registry.

STRAIGHT- consists of any straight horse with both parents registered with ABC. Stallions are not eligible but can be registered with number and certificate pending until gelded in order to keep track of bloodline. Off-spring from ABC straight mares, if curly, will be eligible in the Half Bashkir Division.

OWNER OR LESSEE of mare at time of foaling is legal owner of foal, therefore responsible for registering the animal. Lease notification should be sent to the ABC office to be recorded.

BY-LAWS AND RULES & REGULATIONS

These are in the finishing stages. If you voted on the changes for the districts and requested the

By-Laws we will automatically send you out a copy. If not you may request a copy of the By-Laws at any time. We will be sending out any amendments to all members when there is a change.

THE FIRST

For the first time ever (that we know of) there is a Curly Horse calendar...

There is a beautiful picture of a Curly in Summer coat painted in water colors painted by Bobbie Albano. With a detachable calendar for the year. On each month there is information about the Curlies. It has been suggested that the winners of the Photo Contest be put on the years calendar. Sandy King of Hampden, MA was the one to put this calendar together. THANK YOU, SANDY

You may purchase this calendar for \$10.00 plus \$1.50 shipping from:

Sandy King
West Ridge Farm
535 Glendale Rd.
Hampden, MA 01036
PH: 413-566-5366

The office would love to promote items for you. Just keep us informed as to what you have to sell for the Curlies or even items you would like the Office to sell for you. We are always looking for items to sell. There is even a possibility we could put them in the office on consignment.

MINUTES OF MEETINGS

Any member interested in receiving the minutes of the previous convention may contact the office to receive them.

AGENDA

Any member interested in receiving the agenda for the First meeting at the up coming Convention may contact the office to receive the current agenda (It may not be the final agenda). The final agenda will be posted at least one day before the meeting.

ABC HORSE SHOW RULES AND REGULATIONS

The Horse Show Rules and Regulations, forms and fees are at the office. If you are interested in putting on a Horse Show or trying for the National Awards and/or District Awards, write the office. You must send a \$10.00 fee and application, if you are interested in going for the national Awards.

CURLY HORSE SHOWS

The members in Canada held their first Curly Horse Show .The Horse Show was held at Dick Hendrix & Judy Powers - Bar OO Ranch on July 8, 1995. There were 7 classes with 19 members and 20 horses pertisipating. Congradulations to all !! We were told they had an enjoyable time and plan to hold another Horse Show in 1996. Look for details in upcoming issues.

TRANSFERRING YOUR HORSE

There has been some confusion on transferring a horse. The fee is \$20.00 (\$35.00 if both non members) per horse. Send the fee, transfer form with both signatures, and the Certificate to the ABC Office. If the horse needs to be updated send in the required pictures and fees. The seller or buyer may pay the fee. Please indicate who will be paying this fee. Also, if there has been a transfer that has not been recorded with the office, the paper work and fees will be required for that transfer before the last transfer can be completed. It is the responsibility of the seller or buy to get this information, not the Registries.

A. I. BREEDINGS

The Board of Trustees voted at the 1995 Convention to revise the A.I. regulations as a breeding program for the members with a Breeders License. The revised Rules and Regulations for the program are at the Office. Please send for the information if you are interested in the program.

A blood test must be performed on the Stallion and Mare prior to the breeding and the blood test results must be in the Office prior to the collection of the semen.

The registry is selling blood testing kits for \$13.00. Send the test to Ann Bowline of Davis, California to be tested the address will be provided with the information.

AS BOARD OF TRUSTEES

Running for Board of Trustees

Any Senior member in good standing may run for Board of Trustee. This is a three year term and the yearly convention to attend. Send you resume to the office by May 10, 1996. There are one member at large and three districts up for election each year. Start thinking now about running for the board **WE NEED YOU.**

STRAIGHT DIVISION

At the 1992 convention the Board of Trustees voted to eliminate the straight division (horses with straight hair). This took effect December 31, 1992. **AFTER** comments from the members and a lot of discussion, the Board of Trustees voted to revise the vote of June 1992. The Straight Division will remain as is and register straight haired horses with curly blood. They must have two registered ABC parents. Any questions please do not hesitate to write to the office.

HALF BASHKIR DIVISION

The Half Bashkir Division is for horses with curly hair of either, one registered or, unknown parentage. There is also an additional fee if a licensed breeder is not used. Any questions regarding this division can be sent to the registry office.

Registration Rules to Remember

The Owner of a mare at time of foaling is the owner of the foal and is responsible for the proper registrations of that foal. If foal is sold and arrangements are made for the new owner to register and transfer, send a letter to the office to this affect.

When **selling** a registered Curly, Straight or Half-Bashkir the Certificate and Transfer of Ownership/Bill of Sale, together with the transfer fee of \$20.00(\$35.00 if both buyer and seller are non members), must be sent to the ABC office for legal transfer by the Registrar.

The Certificate will be then forwarded to the new owner. The owner or buyer may pay the fee please stipulate when sending the certificate to the office. Please **DO NOT** give a registered horse's Certificate directly to the buyer.

To Alleviate errors on a horse's pedigree, the Registrar asks that a xerox copy of titles to BLM horses and certificates from other Registries be sent with application for registration. If preferred, ABC can copy originals and return to the owners.

NEVADA BASHKIR CLUB

The NBA held its second horse show of the year, on October 28, 1995 at the Ely City Corrals. The results were not available when we went to press.

IT IS OUR PLAN TO START PUTTING THE CURLY CUES OUT QUARTERLY. THE MONTHS WOULD BE JANUARY, APRIL, JULY, and OCTOBER. In order to put out these issues we will need your help. We need news articles to keep the members and non members alike informed. There are always the funny stories, informative, happy, and successful. If something works for you share it with our readers. If it didn't work for you, we would

like to hear that, also. All articles need to be received by the Office at least one month before press time, which will be the 10th of each month. Get those typewriters out and typing!!

Have a horse for sale??? For just \$5.00 per issue of the Curly Cues, we would be happy to add your horse to our HORSE CLASSIFIED ads.

There is also a by monthly list that is sent to all persons inquiring about our horses. This cost \$1.00 per horse or \$3.00 if a picture is added. A new list is made every 2 months.
