## Melinda's Corner

### Hello, Curly Enthusiasts!

My name is Melinda Martino and I am your new President. I have served on the Board since 2003. I was the Vice President from 2005-2010. I am a Curly owner and breeder, and have been since 1992. Although the position of President of the ABCR is new for me, I have served in the capacity of President and Board Chairman for other organizations. I have some big shoes to fill. I know a few of the more recent past Presidents and hope that I can adequately fulfill the responsibilities of the role.

Like many of you, I have a small farm and more horses than I need. The economy has made it difficult to sell horses, but the hay was good before the July drought, so we are ready for whatever winter has to throw at us.

### World Equestrian Games in Kentucky

By the time you see this, the World Equestrian Games will be finished. Kentucky has been preparing for this competition for nearly two years. Every hotel and bed and breakfast is full for the last week of September and the first few weeks of October. People and horses from all over the world will be in Lexington to compete. Kentucky is ready!

### 40<sup>th</sup> ABCR Convention in Canada

The 40<sup>th</sup> Convention of the American Bashkir Curly Registry was held in Guelph, Ontario, in late July. My husband and I drove the 600 plus miles. It was exhausting, but it was fun too. Driving that far with only each other to talk to, you realize how much you don't say when you have work, farm and family to occupy your time. Canada was beautiful. The only surprise was the temperature. It was very warm, much warmer than I thought it would be that far north. The Oakes' were great hosts. They treated us to tours of the area, informative demonstrations, and on the last day, a day at the harness races.

The business meeting of the ABCR was a combination Breeder's and General membership. There were no bylaw changes this year, but the district changes were seen this year with the seating of the European District Representative, Caren Schumann. She is German but speaks fluent English, as well as other languages. She has agreed to Co-Chair the Marketing committee with Carol Baldwin. Please see the Committee list for contact information. This year also saw the induction of two members to the **Wall of Honor**. See details on Page 2.

In closing, I want to thank the Board for this honor. I invite you to contact me by email at [melscurlyhorses@aol.com](mailto:melscurlyhorses@aol.com) or by phone if you have something to contribute. I also challenge you to volunteer for committees or participate in organizational programs. A successful organization is only successful when the membership is engaged. I am in this for the long haul. Join me! Best wishes for the upcoming holiday season.

Respectfully yours,  
Melinda Martino

## *2010 ABC Convention in Guelph, Ontario*

*By Sue Davis*

Our trip to Guelph, Ontario for the ABC Convention was once again an International adventure!

Getting through Customs into Canada was a breeze; however, we were disappointed to find our money was worth less! Being so used to everything being in Spanish and English, it was strange to see everything in French and English. We met up with Diane Mitchell in the airport and, after waiting forever to get our suitcases, we found our way to the rental cars and were on our way to Guelph. It was an uneventful hour-long drive with a bit of a challenge driving around the construction to find Diane's motel. Getting to the meeting hall was an entirely new challenge, as the construction had all but one street blocked. The first day, we ended up walking the long way around. After a couple of tries, however, we finally figured out the way.

The weather was beautiful the entire trip and it made our outdoor adventures even more enjoyable. During the first Board meeting, the rest of us attended the farmers' market next door. They had all manner of farm goods there for purchase, including fruits, vegetables, cheeses, meats, and crafted items. I was amazed at the cost of produce there and decided I should quit complaining about the prices down here in the U.S.

The meetings were cordial and well attended, with the ABC business getting done with very little argument or fuss. Unfortunately, we lost Greg as President after a long eight-year service, and he will be sorely missed. Thank you, Greg, for all your years of service through good times and bad. We are glad he is still on the Board to help us as we go through our upcoming challenges of moving the Registry to a new, real office in Kentucky and training a new office person! We would also like to congratulate Melinda on coming on board as our new President, and Joan Olson, our new Vice President, and want to wish them both the very best in the year to come!

The food was over the top with three full meals a day! The caterer was awesome – both friendly and a GREAT cook. We all ate way too much! We were also invited to participate in "A Taste of Canada", which entailed taste testing liqueurs from all the different

provinces of Canada. I must say, some of us enjoyed tasting A LOT!

WE were given a real treat when Hayley, a fourth-year veterinary student at the University of Guelph Veterinary College and helper at Oakesmuir Curly Horses, took us on a most interesting, educational and informative tour of the school's clinic. Thanks Hayley!

Of course, we were treated to a visit to Oakesmuir Curlies to see their HUGE herd of Curlies, and were also given a demonstration on a horse washer vacuum – very innovative but a bit costly – and a very inspiring demonstration of Sonja's Eagala program with behavior disorder teens. This was my favorite demonstration during the Convention and I was extremely impressed with the approach and results she and her horses have had with these troubled youngsters.

While everything was going great with the Convention, things weren't doing so well with our motel room. When we arrived back to our motel on the first evening, we were disappointed to find that our room had not been cleaned. Shortly after notifying the front desk, we were then dismayed to find a flood in our bathroom from the toilet leaking! We were then treated to an upgraded room change and a few free beers to boot! Of course, it wouldn't be a good Convention without some kind of craziness occurring!

The Convention meetings were held at the very historic Armoury building that was loaded with Canadian military history and, according to some, is haunted as well. We were taken on a tour of the haunted facility and told all about its ghostly tales. Although the attendance was rather small, we all made a great effort to help the Registry out with our auction bids on all the great items Greg and Sonja had accumulated, and I think we did manage to do the Registry proud.

On the last day of the Convention, we went on an outing to the Elora Gorge, which entailed a walk down 100 steps into a beautiful canyon. We toured the old town, which included an old mill and a plethora of shops.

## 2010 ABC Convention in Guelph, Ontario

### *Continued from previous page*

We then headed off to the harness races where we were treated to first-class accommodations, a great buffet meal and a really fun time betting on the races. Joan almost got the Trifecta on one of the races! She missed it right at the last second! Oh well, we still had a great time and all attending were too tight to bet much, so we didn't lose too much. After the successful search-and-rescue mission that was launched to find Sonja in the Land of Slot Machines, we said our goodbyes and headed on our separate ways!

Now, of course the story can't just end there...we still had to get home and, for a while there, we weren't sure it was going to happen. We started out at 5:00 a.m. Eastern time to get to the airport by 6:00 a.m. for our 8:00 a.m. flight. Wow....getting back into the U.S. was A LOT harder than getting into Canada! We spent a little over an hour in line to get through Customs. I thought we were just going to make our flight when we found out it was delayed. We were assured it would not affect our connecting flight in Chicago, as that was why we were delayed. NOT!!! We got to Chicago just in time to miss our connecting flight to Reno. Well, of course there were no more direct flights so we now had to go to Dallas, after a four-hour layover in Chicago, then a two-hour layover in Dallas....we finally arrived home 19 hours from the time we started out! But you know what they say: "Any flight you walk away from is a good flight!"

So all's well that ends well. We had a great time, got to visit old friends, meet new friends, do the business we needed to get done, visit new sights and have a great time overall. We hope to see EVERYONE in Vermont next year!

## Wall of Honor

The Wall of Honor includes the founding members of the ABCR and a few other influential individuals. This is an honor we bestow only on individuals who have given their time, money and expertise to the benefit of the organization. It is the first time in several years that anyone was inducted. The honors went to two deserving individuals:

**Jim Washington** is a Life member. He and his family and friends have brought national recognition to the Curly horse by participating in the New Year's Rose Parade for several years. Jim also developed the original database used to create registration certificates and created our first website. Jim served on the Board of Directors from 1994-2008. He has held the position of Vice President and President.

**Diane Mitchell** is a Curly breeder. She has served the ABCR as a member of the Board since 1998. She has served as Chairman for several committees, and currently acts as Treasurer and Finance Chairman. Diane and her stallion, BB Copper Sun, have traveled the United States acting as an ambassador of the Curly horse. They are successful in the show ring, winning many awards. Diane hosted the 2006 Annual Convention in Bastrop, Texas, and continues to volunteer to the benefit of this organization.

Congratulations to both of you!

### *Rework of the European ABCR Brochure*

The European ABCR Marketing Chairperson has begun a rework of their ABCR brochure. They are looking for new pictures of Curly Horses to represent the breed in the brochure. If you have a professional picture that would be suitable, please send it to [carenschumann@cps-mail.com](mailto:carenschumann@cps-mail.com). It should show one of the following perspectives: entire horse, head, or a picture of the Curly coat.

Also, if you have authorized confirmations of famous horse people or trainers about the uniqueness, intelligence and/or special disposition of the Curly Horse (or any other positive comment), please share with Caren.

## Member Survey Results

In late August, a questionnaire was sent out to 26 members of District 9; 5 members responded, equaling a 20% response rate. Below are the results of the ABCR evaluation:

- Satisfaction with ABCR work: **3.2**  
where 1 = "very good" and 5 = "poor"
- Most important topics ABCR should work on:
  - Check the quality of breeding stock
  - Quick registration process / ABCR should react much faster
  - Official ABCR Pedigree Database
  - How to avoid inbreeding?
  - Selected crossbreeding with excellent warm blood/thoroughbred stallions
  - Genetic research to understand the breed better
  - Bring quality to breeding, considering the different types (e.g. Pony Curly) and good confirmation and disposition
  - Being more open-minded
  - Difficulties with English language
  - Curley Cues should come out more regularly
  - Home page should be up to date regarding published information.

A bi-monthly newsletter is planned to be published in District 9, providing news, events and reports about the District 9 members. Various feedback indicated members like the idea and several proposed articles for the future issues.

Members are invited to contribute ideas and submissions for the newsletter by email to [the.write.type@sympatico.ca](mailto:the.write.type@sympatico.ca).

## *Top O' The Hill Farm ~ Springfield, Vermont July 21-24, 2011*

**Top O' The Hill Farm** is pleased to host the **American Bashkir Curly Convention** for 2011. This is an exciting event for the New England area. Top O' The Hill Farm is the first New England breeder of the wonderful American Bashkir Curly Horse, and the quintessential Vermont side-hill farm is home to many gorgeous and capable Curly horses. The herd is based on many of the old foundation lines and, like the traditional Vermont Morgan, is a "using" horse, with potential in almost every arena of horse activity. We hope this convention is one of our best to date, and look forward to welcoming members to Vermont!

## *Curlies at the Manor*

*By Caren Schumann*

We have boarded our Curly Horses at a new location, the historic Manor Luchtenberg, which is closely located to both Duesseldorf and Cologne. The managers do a show every year, and asked us to present our Curly Horses as one of the highlights. Only very few people know about the Curly Horse in Germany, so we took this great opportunity to show our little herd to the audience!

The weather was perfect: blue sky and warm winds. Excited youngsters were having their first public show, and many young and older horse enthusiasts were walking around, chatting and enjoying the BBQ. It was a very relaxed and friendly atmosphere indeed.

We had a lot of helping hands from excited little girls that love the Curly Horse. They were helping with cleaning and leading our six to the arena. The horses behaved wonderfully, though they are such a kindergarten! They were relaxed, loved to be presented and touched. Just have a look at Sandor and the boy!

We had help as well from Daniela Soehnchen, a very experienced Germany Curly Horse breeder here in Germany. She explained about the breed and her personal experience. The audience of about 50 people listened, fascinated. Daniela, my husband Peter and I moderated the event, trying to explain as much as we could about the Curly Horse.

I have to say, Curly Horses really love people. This is something the people at Manor Luchtenberg realized as well. They love the Curly social behavior and their attitude towards people. This is a very different behavior from "the normal German warmblood".

There were a number of questions at the end. People were fascinated about the coolness, the curiosity and the people orientation of the Curly Horse.

A lovely day, both for the people and the horses!
