

# CURLY CUES

## President's Message

*By Joan Olson*

June 2016

I would like to send out a Congrats to all the Curly Breeder's and their new babies! It is wonderful to see pictures of the foals playing with Mom on Facebook. What did we ever do without the Internet before? It is good in the aspect that information about anything can be listed on websites and people can look on the Internet for solutions to problems. We can also communicate with people who live on the other side of the world in an instant. This is how we see ABC breeder's improving the quality of foals they are producing. Of course good photography helps!

I would like to also commend some of our breeder's and members for taking an active role in Curly rescues.

In these cases, the Internet also plays an active role. Many are posted on Facebook for others to see and share. I, as an ABC breeder always check to make sure that these horses are not any of mine that I have bred. We always like to make sure the homes they go to know that we would take any horses we have bred back if circumstances permit. I wish all people who breed were like that but unfortunately that is not the real world.

Misfortune can also happen to good people and horses get caught up in the turmoil. That is when Rescue operations come into the picture. We should help out such organizations to save Curlies, especially if we do not have facilities or other means.

Let us first remember to breed with discretion. Unwanted horses are overtaxing the Rescue organizations and soon their very existence could be in trouble.

I am looking forward to our 2016 Convention which is being held in Kentucky this year, hosted by Melinda & David Martino. Hope to see a lot of our Members there! Start making your plans to attend.

Joan Olson

ABCR President

## Midwest Horse Fair 2016

There were eleven Curlies in attendance at the Midwest Horse Fair in Madison, Wisconsin in mid-April, 2016. The eleven beautiful Curlies represented the three Curly organizations, ABCR, ICHO and CSI in a combined effort to educate the public about Curlies and their amazing attributes. It was beautiful weather and Midwest boasted over 62,000 spectators over the three-day event. Our Curlies participated in two group demonstrations and several individual clinics. The Midwest theme this year was Vegas - "The Sky's The Limit". This picture includes eight Curlies (from left to right): Mina Wright on Sundrop, Paul Dennis on Muffin, Elizabeth Brownlee on Sassy, Anna Schwartz on Duchess, Amy Jensen on Romulus, Michelle Stiegart on Erik the Red, Annie Scheidt with owner Riley Rockford, on Chase, and Debbie Guthrie with Biscuit.

## ABCR Convention 2016

# 46<sup>th</sup> in Florence Kentucky

August 11-13, 2016

Dear Curly lover,

I would like to cordially invite you to attend the 46<sup>th</sup> meeting of the membership to be held at the home office of the American Bashkir Curly Registry. Florence, Kentucky is in the heart of Boone County. There is something for everyone if you would like to extend your stay. The recommended hotels are in walking distance of the office. There is shopping at Florence Mall, Florence Freedom Semi-Pro baseball, putt-putt golf, and lots of good eats. There are local parks and the state park Big Bone Lick where you can camp and explore. A few minutes down the road we have Newport on the Levee where you can go to the Inland Seafood Festival, ride a duck on the Ohio River or go to the Aquarium.

With all that stuff you can do, I hope you will work in the Ice Breaker on Thursday evening and the Breeder's/Membership meeting on Friday at the office. It's my place on Saturday where I've arranged for the Owner/Trainer of the Kentucky Horse Rescue to talk with us and a demonstration by the YOUNG GUNS 4-H DRILL TEAM. They are champions in both 4-H and Open shows. These young riders have most recently been invited to be in the Fantasia Program at the Massachusetts Equine Affaire. I am honored they were able to make time in their busy show schedules. Friday evening is free so you can take in a ballgame or slurp oysters at the Seafood Festival on the Levee.

As the Registrar and this year's meeting chairman, I am hoping for good attendance. So whether you haven't come before or you're a dedicated attendee, I am looking forward to showing you my part of the world. If you have any issues or concerns or just want to meet other crazy curly folks then this is the venue! So as they say in Florence Kentucky, "Ya'll Come!"

Hope to see you there.

Sincerely,

*Melinda Martino*

## Sentimental Curly Cues journey

From the October 1982 Curly Cues

**CURLY CUES**

OCTOBER, 1982 No. 16

FROM THE  
AMERICAN BASHKIR CURLY REGISTRY  
BOX 453 -- Ely, Nevada -- 89301

1982 ABC CONVENTION - Ely, Nevada - June 18-20

Our 12th Annual Convention, co-chaired by Stella Heit & Dayle Johnson, turned out to be our largest ever, with 80 people attending the banquet. It was good to see so many people, as it is very encouraging to those who work to see that everything is ready for a great time. This year we were happy to welcome folks from AK, AR, CA, CT, ID, MO, NV, OK, OR, UT & WA. Registration got under way at 3 PM on Fri., giving everyone time to get acquainted, look over the many breeder displays, trophies and scrap books and enjoy a few snacks. The excellent pictures displayed in our "Gallery of Champions", "Stallion Row" and "Photo Contest" received a good deal of attention. Friday evening was very Western, with a Cowboy Buffet following the Cocktail Hour, and featuring B-B-Q Ribs and Beans, with all the trimmings.

A number of awards were given out by Pres. Kugler following the dinner. ABC 1982 National Trophies were presented (see list on page 2) plus several special awards: Joseph L. Mead for traveling the furthest (from Fairbanks, Alaska) Charles Ramsey, Jr., youngest member attending; Archie Robison (who welcomed everyone to Ely) the oldest cowboy; and the Kuglers for trailering horses the furthest to our show.

"People" Bingo was played during the get-acquainted hour, and a scad of prizes won which had been donated by local business houses, plus many bags of fresh fruit given by Dick & Shirley Hofstad that they had brought from their place in CA.

The ABC Horse Show, consisting of 8 classes, was held Sat. morning, and a free tailgate Kaffee Klache was enjoyed by all attending, contestants and spectators, with Virginia McIntyre acting as hostess. Officials for the Horse Show were: Neil Shaw, Elko NV, Judge; Dayle, Johnson, Ring Steward; Thelma Mitchell, Secretary; John Forman, Trail Obstacles; while Jay McKendry (that silver-tongued devil) kept the show moving on the PA system. The beautiful trophies were presented to the winners by the Class Sponsors, all of whom were on hand except Bruce & Marcia Boyd of Alaska, and they delegated Joe Mead, also of Alaska to present their trophy. Dick Hofstad video-taped the action, and Dick Gilkey took pictures of the winners. A Cow Pattie Pitch held after the Horse Show was put on by Georgette Jessen and drew quite a few entries. (Check all results on Page 2)

Benny Damele of Austin NV is shown presenting the beautiful Peter L. Damele Memorial Award to Miss Laura Gilkey of Portland OR, owner and rider of BLOSSOM J #154, High Point Performance Horse of the All-Curly Horse Show at Ely NV.

The versatile BLOSSOM J, also trained by Laura, took first place in four events at this 1982 Show -- English Pleasure, Country Pleasure, Trail and Western Riding.

The trophy is revolving and will be presented to the high point performance horse at the national show each year. Benny, and his mother LaRaine, deserve a big "THANK YOU" for giving the beautiful trophy to honor Peter, who loved his Curlies dearly and we also congratulate the very first winners.

# CURLY CUES

## ABCR Curly Horse Breed Standards

### Body Confirmation

- A medium size head with well-defined jaw and throatlatch
- Wide set eyes with eyelashes that curl up
- Ears that are short to medium in length with curls inside (ear hair does not totally shed out in the summer)
- A medium length neck, deep at the base of the neck where it joins the base of the shoulder
- Noticeably short back, deep through the girth
- An appearance of a long under line and belly cut high in the flank
- Heavy boned legs and short cannon bone as compared to the forearm
- Medium withers and a flat croup with a shallow slope to the base of the tail.

### Curly Characteristics

#### Body (Fine, soft hair)

- Ringlet (can be several inches long)
- Marcel Wave (deep soft wave in the body coat)
- Crushed Velvet (soft dense pile of curls in body coat)

#### Mane (Extra fine hair)

- Kinky -preferable
- Wavy
- Should shed all or partial in the summer
- Split mane (hangs on both sides of neck)

#### Tail

- Ringlets
- Wavy
- Should shed partial at the head of the tail in the summer or some horses may shed tail completely

#### Fetlocks

- Curly - preferable
- Wavy
- Should shed in summer but still retain some long hairs

#### Hooves

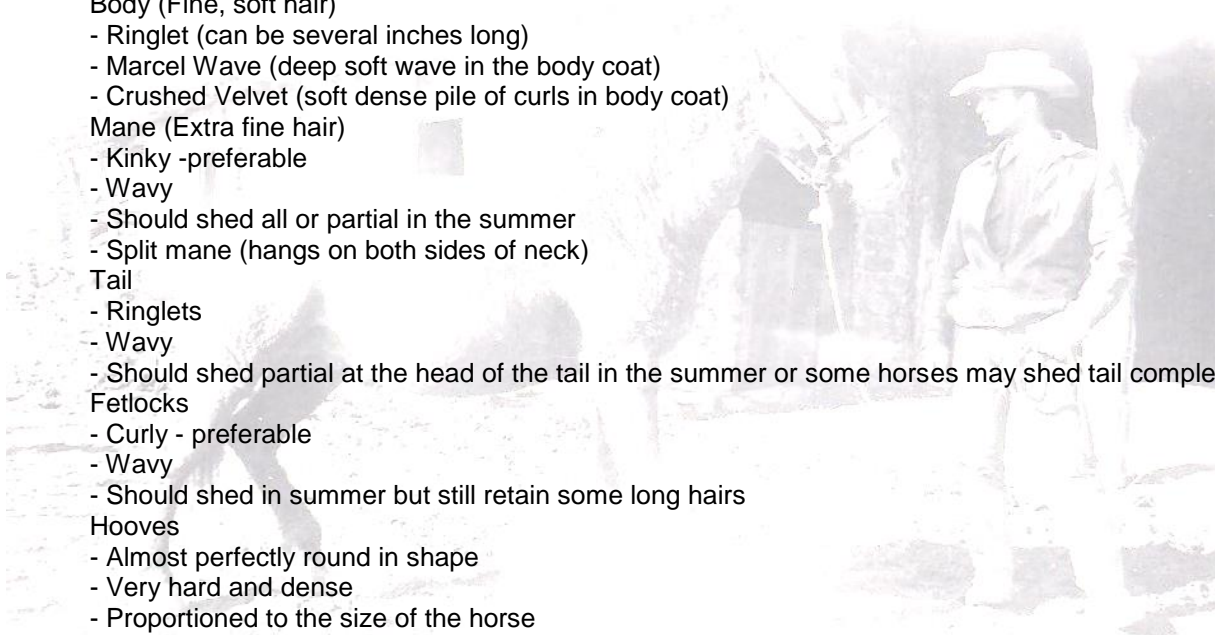

- Almost perfectly round in shape
- Very hard and dense
- Proportioned to the size of the horse

### Size and weight

- Average - 15 hands
- Average weight - 800 to 1000 pounds

### Unique Characteristics

- Curly coat can be hypoallergenic (the horsehair is round instead of flat and testing has shown the hair to be closely related to mohair)
- Can completely shed the mane and/or tail in the summer, only to grow back in the fall with the winter coat
- Noticeably short, strong back, sometimes indicating five lumbar vertebrae
- Even-tempered disposition
- Quick pulse and respiration recovery
- Very dense bone in the legs

### ABCR CURLY HORSE DATABASE

ABCR provides a fully linked ABCR Curly Horse Studbook ONLINE with more than 8,100 entries and 2,950 pictures including all ABCR horses. These are the features of this database:

1. Fully linked **PEDIGREES WITH PICTURES**
2. **SIBLINGS VIEW**: Find full and half siblings of a given ABCR animal at-a-glance.
3. **OFFSPRING VIEW**
4. **VERTICAL PEDIGREES**: Vertical pedigrees list full siblings of each horse in the pedigree at-a-glance, which as a group represent various combinations of their parents' genes, and are good indicators of the range of possibilities that are likely to be passed on. Using vertical pedigree analysis gives breeders interesting insights e.g. about confirmation or the extreme characteristic that cannot be tracked in a direct manner.
5. **REVERSE PEDIGREES**: Reverse pedigrees show offspring of the offspring of a given animal.
6. **TRIAL MATINGS**: Try out matings between ABCR horses and look how the confirmation or other characteristics would match.
7. Additional information such as **COEFFICIENT OF INBREEDING (COI)** and **PEDIGREE QUALITY**
8. Indication of **DNA AVAILABILITY** and **EXTREME CHARACTERISTIC**
9. **NAME GENERATOR**: Generator for horse names based on more than 40 years of ABCR Curly Horse names - always new and fancy combinations, fun guaranteed!
10. **ADDITIONAL FEATURES**:
  - advanced search
  - fully scaleable between 3 and 8 Generations
  - same ancestors are highlighted
  - enlargable pictures

### Spargeist

ICHO 1485-D, grey/cremello mare, 15,1 hh, DOB 2008

Spargeist is currently doing well in dressage training. She has three excellent gaits. She recently competed in two schooling shows and earned scores in the mid-high 60's at training level. She is a smart, talented, and sensitive horse. She is very rideable and has never offered to bolt or do anything rude under saddle. She is doing well on leg yield and shoulder in. The sky is the limit for this lovely, affectionate horse.

\$ 5,000.00
