President's Message

August 2017

Hello Fellow ABC Members,

How is your year going? We at the ABC Registry would love to hear from you! In our News Corner please read about our office going virtual.

So far in Nevada we are battling wild fires since we had such a huge snowfall everything decided to grow and there is a lot of fodder for the fire. Our equine center has been an evacuation point for two fires now that we had in our valley. We even had wolves that came in from the US wolf rescue that no one knew was located in our valley. Also 30 llamas came in, so adorable but I heard they spit so we didn't get too close. We did get some horses, three stallions that were almost out of control. A person comes to realize in situations like that how important training is for horses when we see how they react in stressful times especially if their owners are stressed too. Please take time to plan a route out of your area if you ever need to evacuate someday, believe me it will come in handy.

Well it is that time of the year, CONVENTION TIME!! We at the ABC will be having a Conference Call in October, on the 7th at 2:00 Eastern Time, USA. Please register ahead of time so we know how many people to expect on this call. You can do this by emailing the office at abcregistry@aol.com or by calling 1-859-485-9700. This is the time to voice any concerns you as a member are having with the Registry or any ideas you might want to share with the board and other members.

Convention time of the year was always a great time with reuniting with all of the breeder and members who lived on the other side of the country and now the other side of the world. This year we will feel like we are missing out on something and will look forward to next year when we can all get together and tell our Curly Horse stories.

Best Curly Wishes to All,

Joan Olson ABC President

CURLY CUES

“My Curly Story” told by Hilary Bishop

I have always had horses and think I was put on a horse's back before I could walk. I grew up riding and showing everything from Quarter Horses to Arabians and still have my heart horse, Flame, a 27 year old Arabian gelding who stole my heart 21 years ago.

My mom, since before I could remember, always mentioned wanting a Bashkir. She loved their disposition, their looks, and their CURLS! My husband and I built our little farm just south of Pittsburgh, Pennsylvania two years ago and finally brought home Flame, a paint rescue- Disco Cisco, and a 'husband safe horse' - Buford. The problem was, we had an empty stall and as all of us horse lovers know, you can't have an empty stall.

I had a thought and wanted to give back to my mom after the 29 years of her dealing with my horse addiction and said, "Are you ready for your curly horse?" It was a no brainer for her and the search began.

We searched websites and tried to find a great curly horse breeder that was relatively close. We found three month old Quinn of Hidden Cave Ranch in Burkesville, Kentucky. After we spent a night at their beautiful bed and breakfast that accompanies the farm, and met Quinn and his herd, we made the decision on the drive home that Quinn would be coming home with us when he was ready.

I am not new to horses but I am new to raising foals. Quinn arrived safely to our farm after much anxiety of making everything perfect for his arrival. He was everything that we had wished for, and more; intelligent, curious, playful, ornery, and those CURLS! He caught on to daily routine at our farm quickly and formed a great bond with our other three geldings. He's an amazing little guy and so smart. He is so very willing and has a wonderful disposition. He is such a pleaser and wants to do well. He is so happy and so sweet- very true to everything I researched about the curly horses! He surprises me every day with his quirky and trusting personality that allows us to do so much together. We take walks, do short liberty training sessions in the round pen, and have a few tricks that he enjoys showing off. Quinn is learning that the farrier is not a terrible guy and the vet is just there to help monitor his growth and health!

I am really amazed by the breed even though I thought my mom was crazy for wanting such a unique horse. I feel fortunate to be a first time curly owner and it is such a privilege to have the opportunity to raise this little curly boy.

Curly Horse Ambassador

Since becoming the International Curly Horse Ambassador in 2015, Sarah has been blessed by opportunities to spread the word about the American Curly Horse. She started with a write up in our local paper the St Maries Gazette Record, and then rode in her and “Twiz” first parade in Paul Bunyan Days in St Maries, ID along with grand entry at almost every Omoksee we went to. Later in the year, the Coeur d’Alene Press did a two Page article on her and Twiz right before the Kootenai County Fair. Although being too young at the time to participate in the Grand Entry with the horses, she did get to hand out flyers for the PRCA Rodeo and ride in the fancy Ram truck in the arena and in the parade through the park as Ambassador. She also handed out flyers to spread the word. She also participated in the autograph signing with the other royalty.

In 2016, Sarah was invited to the “Think like a Queen Clinic” at the Kootenai County Fairgrounds. She learned a lot and captured front page on the Coeur d’Alene Press during the arena work while carrying a big yellow wrangler flag. She then was invited back once again for the PRCA Rodeo and although allowed to ride, out her horse’s health first due to a bad equine flu going around the area. She and her friend opted to ride in the Ram truck once again. Autograph signing was amazing as she got to meet and sit with Mary Walker and Jacquie Gantner and a couple of bull riders. Being royalty does have perks! The rodeo went on for days and we didn’t miss any!!

Team Twiz participated in a local rodeo in Harrison and took first place. A month later, we were invited to do Rascal Rodeo for handicapped kids. First they opted to use drill team horses which proved to be a bit high strung for these kids. By midway our Curly girl was the go to horse and everyone hollered for Twiz. With ten people around her and nudging her from side to side, she was priceless carrying these kids through 6 inches of mud. It was after a hard morning of doing that for two hours that we were approached on Team Twiz doing her first Grand Entry in a professional rodeo. Although tired, they made it through and were introduced to a few thousand people.

Throughout 2016 she made multiple grand entries, a benefit dinner, was asked to hand out the prizes at a 5D playday as ambassador, also presented awards to new royalty for Playday in Athol. She has made her usual grand entries, rode in the Plummer Days Parade and Harrison Old Timer's Parade, and wants to ride in the PRCA and ProWest Rodeos grand entries once again. We are also planning on doing the Rascal Rodeo again along with maybe extending to the Westward Ho Parade in Pendleton if schedules allow.

CURLY CUES

Curly Horse Ambassador

This year she has been featured in the Harrison Searchlight (9000 printed), ICHO online Gazette and will be in the Nov/Dec issue of the Young Rider magazine.

This year we also crowned two new ambassadors, Mr. Ben Field of Australia and Mr. Christian Bilgo of Wisconsin. Ben is the new Aussie Ambassador while Christian is the US/American Ambassador.

Team Twiz is supported by Fresh Aire Design (her riding helmet and black royalty shirt), ABCR in which she is a member, First Chance Designs, Elmer's Insurance and Steve Greene Trucking out of St. Maries and Resistol Ride Safe helmets.

Sarah has a very good friend, Hayden Chase, who is also royalty for another club. Hayden has Type 1 diabetes and relies on Sarah when they are out in the arena and her blood count drops. They also have become quite the team and Hayden loves Twiz and has used her on occasion. From your Curly Cowgirl, please educate yourselves on symptoms of Type 1 diabetes. It is a silent killer of young children.

LETTER OF ACKNOWLEDGEMENT

ABCR designed a “Letter of Acknowledgement” to help people who rescued Curly Horses or have a Curly with unknown parentage. ABCR can compare the DNA of these horses to the DNA of all the ABCR horses registered with DNA. This way possible relationships between e.g. a rescue horse and an ABCR registered horse can be identified. However, this DNA comparison only delivers hints of possible linages of the unknown Curly Horses, and further research needs to be done by the interested owner to see if this relationship leads to a sound story where the unknown Curly Horse came from.

Please note that if you order a “Letter of Acknowledgement” for your unknown Curly Horse

- it is NOT GUARANTEED that possible relatives can be found
- this is NO REGISTRATION of your unknown Curly Horse
- you will receive
 - o a document “Letter of Acknowledgement” stating if possible relative have been found or not

3. Send the completed form and complete membership form (if new member) to ABCR office along with a photo of Curly Horse for placement on Letter of Acknowledgement You find hints how to take a good Curly Horse Picture here: <https://www.facebook.com/notes/american-bashkir-curly-registry/how-do-i-take-pictures-for-the-abcrregistration/31549727527412>

Raised by Dorothy Hedges of Aberdeen SD, whose son, Roy, took DOLLY to ABC's Nat'l. Performance Championship in '74. DOLLY is currently owned by Sandra Hendrickson of Indianapolis IN and is expecting a foal in '87, then she will probably go back to winning trophies again! Good looking group!
