President's Message

Dear Fellow Curly Members,

I hope to see you all at the Texas Convention this year! We will be discussing the two new Curly genes, KRT25 and SP6 that were both recently discovered. Our host Diane Mitchell has quite the convention lined up for us. Please check out the information on the convention in this issue. It will be lots of fun greeting all of our Curly Buddies who we haven't seen for quite a while. Bring all of your questions that you have and hopefully we will have answers!

Here at High Desert Equine our foaling season is done with the birth of our only curly filly this year. We were blessed with a bay tobiano, friendly and sweet, she is a welcome purebred curly addition to our ranch. She has two famous Grandfathers, "Curly Tom & DCC Traveler". This one is a keeper!!

Our Registry is on track with the virtual office continuing to be a help in maintaining finances. We welcome any volunteers who wish to run for a board member position. The April 15th deadline for this year has passed but please put it on your calendar so you can apply for next year, if the district board position for which you want to run for comes up for re-election. For more information, check out the website at abcregistry.org.

Show season is continuing with all of our riding Curlies competing with their lesson students and trainers. Venues such as Dressage, Hunter Jumping, Eventing and Hunter Pleasure in our area have Curlies winning and placing many times so far this year. We also use Curlies in a therapy program at our Center and we have a lady with Multiple Scoliosis, who uses our main Curly, Surprise as her therapy horse. She started out at a walk and is now loping in the arena by herself!

Well, enough about my curly program! I want to hear about yours!! Please send me any articles you would wish to submit for publication in the next of future Curly Cues. My email address is jo_curlies@hotmail.com or by mail, Joan Olson, 1560 Manzanita Lane, Reno NV 89509.

Best Curly Wishes to All, Joan Olson ABC President

NEWS CORNER

ABCR Annual Convention

The 48th Annual ABCR Convention is about to start! Well, OK, Not till Sept 20 (evening)-22, 2018. It will be in the College Station, TX area, home of Texas A&M. And, our convention will be centered on A&M, and the research studies that have come from them.

We will have guest speakers tell us about genetics, research, and results. Dr. Mitch Wilkinson will be our Main Speaker, focusing in on the genetic results from both A&M, and the University of Germany. Both have found curly genes, and the research continues on. Dr. Mitch is SO excited about the newest discoveries, he can hardly wait to reveal what has been done, and what continues to be discovered. (Dr. Gus Cothran may surprise us with a visit.)

We also plan on having a speaker talk of variances and dilutions of color genes, so if you are into colors of horses, this would be for you!

We will have our Board Members available to help anyone with registering their Curly horse with ABCR, now that we accept any curly-coated horse. We'll have applications, instructions, and as much as we can have, there to help and get horses DNA tested and registered. For anyone interested in doing so, we ask they bring 4 pictures (right, left, front, back) and PULLED hair from their horses.

We also plan on having a tour of the A&M Large Animal Hospital. They take care of LARGE animals-elephants, giraffes, lions, tigers and bears, oh my! And of course, horses, too. They have digital state-of-the-art equipment, and we get our own personal tour. We are hoping for a tour of the genetics lab, as well.

Other activities at the convention will include our banquet and awards ceremony, acknowledging those who have spent hours and a lot of time riding and promoting the Curly horse. We will have a silent auction, and hope any of you who want, will donate an item for the Silent Auction.

No convention is complete without the meetings to listen to the members. Hear what they want, and feel, are good for the Curly horse. We love our horses, and they are the main reason we are going to gather together.

An added plus is that there are a few horse-related businesses out there who have graciously donated some items, and some coupons, and those will be handed out to those who register early for the convention.

The sign-up form is attached, and on the web site. Please note, when you call the hotel to reserve your room, state "ABCR yearly convention" and you will get an awesome price reduction! The hotel (Four Points by Sheraton) is a very nice hotel, and close to Texas A&M.

Learn 'Howdy, ya'll', and come have a great time at the ABCR yearly convention!

CURLY CUES

The 47th Annual Membership Meeting (Conference Call)

of the American Bashkir Curly Registry 10/7/2017

The meeting was called to order by President Joan Olson at 2:07pm EST.

Joan welcomed everyone to the meeting, especially the members and non-member guests who called in.

Everyone confirmed that they received and read their meeting agenda packets and were ready to begin.

Approval of 2016 Convention Meeting Minutes

Joan asked if anyone had any questions about or corrections to the 2016 minutes. There were no questions, comments, or corrections. A motion was made and seconded to accept and approve the minutes, and the motion was passed.

Approval of 2017 Treasurer's Report

Melinda Martino referred everyone to the Treasurer's report in their packets, which was up to date as of 9/30/2017. There were no questions. A motion was made and seconded to approve the Treasurer's report as presented, and the motion was passed.

District Reports

There were no questions or comments regarding the District reports

Committee Reports

There were no questions or comments regarding the Committee reports

Election Report

Joan Olson made a motion to accept the board members currently in office, as there were no new applications for the districts that came up for election this year. A motion was made to accept the current slate of officers and seconded, and the motion was passed.

Old Business

Western Dressage Affiliation

Joan Olson reported that the ABCR is listed on their affiliation page with a blurb about Curlies. Joan reported that she is looking at hosting a Western Dressage clinic or two at her facility in Reno, NV next year to help promote Curlies in Western Dressage.

Junior Curly Ambassador

Cheri Hubbell-Thaut, mother of the current International Curly Horse Ambassador, Sarah Taut, gave a report on what Sarah and Twiz have been doing this year. The Curly Ambassador program began just 3 years ago, and Sarah was chosen as the first Curly Horse Ambassador as a way to get the word out about Curlies. So far this year, Sarah and Twiz have attended 23 gymkhana's, a "Think Like a Queen" clinic, 7 parades, 4 Grand Entries at PRCA rodeos (with 2400 people in attendance at each), and Royalty signings. They've been featured in the Curly Cues, and will be featured in an upcoming issue of Young Rider Magazine. Sarah and Twiz have also helped with Rascal Rodeo for special needs kids. Last winter, Friends of Curlies, the organization that started the Curly Ambassador program, appointed an American Ambassador as well as an Aussie Ambassador. The vision for the future is to promote the Curly horse so much that there will not be an option for these horses to be seen in the slaughter pens any more. This is such an amazing breed that they should be in high demand, but since they're still relatively unknown, sometimes it's hard to even give them away. This group wants to change that!

New Business

Virtual Office

Melinda Martino reported that the Kentucky office is officially closed, and we now are operating as a virtual office. The new mailing address and office phone numbers are listed on the ABCR web page. The paper files are now being stored in Reno, Nevada and all the files are also stored on google drive. Melinda retained the old scrapbooks that were assembled when the office was located in Ely, NV and is working on restoring them. A question was asked about having a page on the website to display a number of these old photos, and Joan Olson will get that set up.

Discussion/Vote on Adding a Coat Book

At the 2016 Convention there was discussion about what we could do about keeping track of rescue Curly horses. The Registry started by offering DNA testing to try and identify parentage and/or relatives of these horses. If the DNA showed there was Curly heritage, but no identifiable parents, the Registry would present the owner with a Certificate of Acknowledgement of that information. But we couldn't register these horses. The Board discussed this several times since the Convention and decided to put a vote to the membership about creating a new book so that these horses could be registered. This book would be for any Curly coated horse with no verifiable registered Curly parents. These horses and any curly coated offspring would not move out of this book. After discussion, a motion was made to create a Curly Coat Book, it was seconded, and the motion passed. The current registration process will apply for this coat book. One of the guest participants on the Convention call has a mini-Curly and was very happy that she will now be able to register her horse!

Membership Survey

Angie Gaines reported that this was a free online survey of 10 questions that we were able to present to the membership to get some feedback. Two of the suggestions included a request for more and better communication from the Registry as well as a request to register horses that aren't currently eligible. The survey provided some good feedback, even with its limitations. If anyone would like more information about the survey and its results, you may contact Angie Gaines (angie@goldencurlsranch.com).

Results of Horse & Rider Awards

Grand Champion Performance: Elana Oakes with Sparta Curl

Reserve Champion Performance: Diane Mitchell with Grady

Frequent Rider Champion: Diane Mitchell

Frequent Rider Reserve Champion: Diane Mitchell

Angie Gaines asked about adding a Driving Category to the Awards Program. After some discussion, a new category called Driving Versatility will be added for 2018. This information will be added to the website.

Joan Olson sponsored a driving award for a participant in a driving show this past summer and will contact her about submitting an article and pictures for the Curly Cues to promote the new category. Melinda Martino will contact Betsy Lirakis about a driving article and pictures as well.

Convention 2018

Diane Mitchell offered to host the 48th Annual Convention in 2018 in Texas. Once the date is selected, it will be posted on the website. A question was asked about the possibility of calling in for those who could not attend in person. We will look into the feasibility of doing this.

A Motion was made to adjourn and seconded. The meeting adjourned at 2:13 pm EST.

ROY CLARK HOOF BOND PURSE AWARD --

And, now, hold onto your Stetsons, 'cause you won't believe this!!! Our All-Curly Horse Show is registered for the ROY CLARK HOOF BOND PURSE AWARD, and David Sigler, President of HOOF BOND, Inc., tells us that our All-Curly Show will receive an added cash bonus award of -- (are you ready for this?) --

!!!! FIVE THOUSAND DOLLARS !!!!

Yes, that's right! FIVE THOUSAND DOLLARS! So, now, all you folks better put a few finishing touches on those ol' Curlies of yours and be here for our show!

There's a catch, you say? Well, not really. We already stress showing Curlies sans shoes, so all that is necessary is that your Curly has no shoes, no visible nail holes, and is bonded with HOOF BOND. That's EASY! It only takes 20 to 30 seconds to apply HOOF BOND, so look for it and get your local tack or feed store to carry it and you will qualify for your share of this added purse sponsored by top country entertainer ROY CLARK for HOOF BOND, Inc.

Let's make this show a 100% "HOOF BOND" show!!

So -- check out your local tack or feed store to see if they carry HOOF BOND, the revolutionary new product to make horses' hooves strong enough to go without shoes. If not, send their name and address to ABC and we will forward it to the HOOF BOND people, or they may write to:

THE GHOST TRAIN OF OLD ELY --

As a special attraction this year, Mr. Doug Reynolds, manager of "The Ghost Train of Old Ely", is having our famous engine, old No. 40, fired up for the weekend of our convention so all those attending can take a ride on the old train. Ely is becoming known for its' railroad museum, and as having the most complete shortline steam locomotive railroad complex in the U.S. The ride is around 20 miles and folks come from all over to ride on it when it is in operation a few weekends during the summer, so we hope everyone will take advantage of this rare opportunity to ride this 80-year-old train and enjoy its' red plush seats! All Aboard!

BLOOD TYPING CURLIES BY CS FUND --

ABC is pleased that the blood typing of 200 registered Curlies is now under way by the CS Fund, Freestone CA. The work is to be done at the University of California, Davis, by Dr. Ann Bowling, expert serologist. The CS Fund has already sent packets out to owners of Curlies to be tested. CS has received a grant to pay for blood typing the 200 horses chosen, which otherwise would cost owners \$31 per horse. Neither ABC nor its' I.D. Committee were allowed input into the choosing of the Curlies to be blood typed, so if you did not receive a packet regarding your horses and would still like to be included in this project, you may contact CS Fund, 469 Bohemian Way, Freestone CA 95472, Ph: 707-829-5444. I'm sure all Curly owners will be anxious to hear the results, and we thank CS Fund for their interest in our horses.
