## President's Message

May/June 2021

Fellow Members,

This year is just flying by for us in Reno. We survived the foaling season and had five Curly babies. Three colts, one being a curly foxtrotter and two fillies, one being a solid straight chestnut. I have seen babies posted on Facebook by other breeders and enjoy seeing what other curly babies are being brought into the world. Congratulations!

Our annual convention has been canceled again for this year due to the Covid virus. People are just starting to travel so we wanted to give it another year before we host the convention here in Reno. Hopefully by next July/August everything will be opened up without masks and people will be able to enjoy getting together.

If there are any questions that Members or Non-Members want to ask for more information on anything to do with the Curly Horses or forms that need to be filled out don't hesitate to contact the ABC office or any of the District reps listed in this publication. We love to talk about our Curlies. There is also a video link posted on the front page of the ABC website on "How to pull Hair for DNA" which Angie Gaines has posted on her Youtube channel. Thank You Angie for all of your hard work!

Our ABC Board consists of all volunteers. We work hard at keeping the Registry a vital part of the Curly Horse History. Please donate some of your time for this special horse, we would appreciate any help or offers of participating on the Board or Committees.

Joan Olson ABC Registry President
