Pre-Registration Application

Book Requirements

IMPORTANT NOTE:
Every straight coated horse regardless from which Book/Division used for breeding must be bred to a curly coated horse in order to be eligible. Any horses bred straight to straight are not eligible.

Notice:
Parentage of the original Curly Outcross Division generation must be horses out of Blood Book – Full Curly Division bred to any registered horse with full papers of another breed.

Full Book
- Comprises offspring with parentage of the former ABCR Full Curly Registry
- Straight offspring will go in the Full Straight Division and get i.e. an "S" added to the registration number

Blood Percentage Book
- Is equal to horses registered in the former ABC Curly Blood % Registry
- Every offspring eligible for the Blood % Book, no matter if curly or straight coated, will increase fraction up to full
- Straight offspring will go in the Blood % Straight Division and get a straight designation, i.e. a "S" added to the registration number

Outcross Book
- Outcross X Outcross = Outcross (Curly or Straight)
- Outcross x Any other registered horse from another division or Registry = Outcross
- Straight offspring will go in the Outcross Straight Division and get a straight designation, i.e. a "S" added to the registration number
- Straight Outcross X Straight horse of any breed or registry is not eligible in any ABCR book.

US Mustang/ Curly Coat Book
- US American Mustangs must provide proof of ownership from BLM and provide proof of BLM brand.
- Curly Coat Book is designed to maintain and document the curly horses of unknown parentage.
- Straight offspring of Mustang x Mustang will go in the US Mustang Straight Division and get an "S- "before the registration number
- Straight offspring of Curly Coat x Curly Coat will go in the Curly Coat Straight Division and get an "S- "before the registration number
- Straight offspring of Mustang or Curly Coat x horse of any other division will go to the Outcross Straight Division and get an "S" added to the registration number
- Straight Offspring from US Mustang or Curly Coat to non-Curly Horse will not be eligible, as this would result in less than ½ Curly Horse

Notice:
Blood Percentage Book

The following diagram shows how a Blood Registry breeding program works:

Full Curly to 31/32 Curly = Full Book offspring
Full Curly to 15/16 Curly = 31/32 Blood Percentage Book offspring
Full Curly to 7/8 Curly = 15/16 Blood Percentage Book offspring
Full Curly to 3/4 Curly = 7/8 Blood Percentage Book offspring
Full Curly to 1/2 Curly = 3/4 Blood Percentage Book offspring
